Time to Register

Early Bird Registration will be available from April 1st, 2017 to May 31st, 2017 to secure a discounted membership rate. Early Bird Application fees will be processed immediately.

Applications and payment of fees are **due on or before Saturday, July 29, 2017 for returning Members**. If you are a Returning Member applying after July 29th, 2017, you will not be guaranteed your previous season's spot within a league. Applications from New Members are accepted on a first come, first served basis and will be reviewed starting on July 31st, 2017. Therefore, it is important to get your application and payment information in as soon as possible.

How to Register

You can register by mail, fax or email (see details above), or by using the secure mailbox located on the door of the Club facing Cosburn Avenue. You can also register online starting April 1st, 2017. Accepted forms of payment are **cash, cheque, debit (in-person only), Visa and Mastercard**. Cheques are made out to East York Curling Club. Payments received will be processed once your membership has been confirmed. **Little Rocks/Bantam/Juniors: please include your birth date, parent's name and email address on the Application Form.**

Due Date for Returning Members

If your application & payment has not been received by the due date, your requests for league play will be put in priority sequence based on the date received by the Club. Upon approval, you will be placed in a league.

Full Membership

Once your application form is completed and approved, you will be considered a member and placed on a team. The number of weeks played in a season will be dependent upon events hosted at the Club, public holidays, snow days and emergency closings. Members cannot transfer their membership to another individual.

Teams of More Than 4

Should you choose to have more than 4 members on your team, all players must pay full membership fees applicable to the league. Teams of more than 4 members should be aware that only 4 team members may be on the ice at one time.

Formation of Teams

Any team of less than 4 players may be assigned a person on the waiting list at the discretion of the league rep. Should a vacancy occur on a team during the season, a person on the waiting list with appropriate experience will fill the vacancy at the league rep's discretion.

Prorating Section Fees

Joining a league part-way through the season may result in a prorated fee to be determined by the Board.

Bye or Rotation System

In the event that your chosen league is full, a bye or rotation system to an alternate night may occur at the discretion of the league rep. In a bye system, a team would not play a particular week depending on the number of teams registered. In a rotation system, a team would be scheduled to play on another designated night in rotation during the season.

Lockers

Lockers will be assigned on a first come, first served basis. Each member can only apply for ONE locker. Members can either use their own lock or use the lock provided on the locker. If you are using your own lock, please return the Club lock on the locker back to staff. At the end of the season, please leave the club lock in your locker when you clear out your belongings. You may obtain your locker at the Open House or later.

Office Information

The office is open regular hours from 8 am to 4 pm, Monday to Friday in April and May to accept Early Bird Registrations. As well, as of August 14th, 2017, the office will be open at varying hours to accept registrations. Starting September 5th, 2017 regular office hours will commence. During the season, when the office is closed, the Staff on duty will be happy to assist you. To book a rental, practice ice or a make-up game, you must call the office during regular hours.

Withdrawals, Refunds, and Credits

All cancellations/withdrawals must be initiated, and followed in writing, prior to the third day of curling in their regularly scheduled league. No refunds or credits will be considered after this date. Consideration may be given for personal injury, re-location or highly exceptional circumstances. Withdrawals will be pro-rated based on the date the Withdrawal/Refund Request Form is received by the Office, not based on attendance in the program. A \$40 administration fee will be deducted per person, per section for all refunds after the returning member deadline. Withdrawal/Refund requests must be submitted to the Office in writing and dated. You can contact the office for the appropriate form. Notice will take effect on the date it is received by the office. Refunds will only be applicable on the playing fee portion of the curling dues.

Club Closure

All efforts will be made to post any Club closure on the East York Curling Club website indicating the reason for the closure as soon as possible. As well, attempts will be made, when possible, to contact the Skip of each team affected by the closure. Leagues will follow up with their members to indicate how cancelled games will affect the schedule.

Sparing in Sections

Sparing privileges will be granted to any member who has fully paid and is playing in an EYCC league, subject to the leagues requirement for sparing. Please indicate on your application form the league you are wanting to spare in and check off the box indicating whether or not you want to be put on the password protected spares list on the website.

Guest Sparing

Each league has the option to allow for guest players during league play. For each game played, guests must sign a Guest Waiver Form, pay a fee of \$20.00/game and abide by the rules of the EYCC Club and specific leagues. Please check with each league to ensure guests are allowed to spare and what league specific rules must be followed.
